COMMENTS FROM THE FLOOR REGARDING TODAY'S AGENDA - None

CHAIRMAN ANDERSON:

This public hearing is being held to encourage public comment and questions regarding the Conditional Use Permit Application (#2030) for a temporary structure at 11381 West Lake Road, property owned by William and Linda Watt, Erie County Index #24-007-023.0-001.01, 1.79 acres zoned A-1.

The Planning Commission gave a favorable recommendation for this Conditional Use at their June 5th, 2017 meeting.

The Watts health is requiring them to have more care, therefore their daughter and son-in-law would like to add a mobile home to the property to be close to them and take care of them. The home would be removed when no longer needed.

Sandy Anderson explained the reason for the hearing to the visitors. Bill Felege stated that the Township has permitted many other instances like this.

The Supervisors will make a decision at their regular meeting immediately following the public hearing.
